

# KUHIO BEACH, WAIKIKI SANDBAG STUB GROIN

WBSIDA  
Waikiki Beach  
SPECIAL IMPROVEMENT  
DISTRICT ASSOCIATION

**Project Completed: November 27th, 2019**

OCT 31, 2019

The Waikiki Beach Special Improvement District in partnership with the Department of Land and Natural Resources (DLNR) completed a new beach improvement project for Waikiki Beach. The project includes:

- A 95 foot-long stub groin and
- The transfer of 1000 cubic yards of beach sand from the Diamond Head swim basin of Kuhio Beach.
